

Custom Crossovers

Need It Fast? Our Rapid Program Can Help — see pages 5-6

Custom fabricated, OSHA compliant access and fall prevention platforms, crossovers, and dyke bridges are ideal for accessing those hard-to-reach repetitive task areas. Designed to meet your site's specific requirements.

Fixed Ladders

OSHA Compliant Fixed Ladders and Ladder Cages

Carbis' fixed caged ladders are the perfect solution to reaching areas that require frequent access. OSHA compliant fixed cage ladders require less area and are quicker and safer than conventional ladders.

Does your facility meet OSHA regulations related to 1910.27? The requirements include weight load, ladder design, rung distance, cages, fastening, paint or treatment, climbing side, clearance...etc.

Confused yet? Let Carbis' OSHA experts walk you through the maze of compliance. We are here to help you.
